My body moved...

before I could even process what was going on...

I know...

I know that there's something other than my father in that body.

He has a completely different air around him...

But above all, there's this horrid black aura surrounding his entire being.

He looks just like Katakuri when I first found him...

But...

Why didn't you tell our little Miss Rosina how you feel?

Hello!

How much  
can you  
afford?

What are the  
best ways to  
get the most  
out of your  
money?

What are the  
best ways to  
get the most  
out of your  
money?

Repeat. I don't want  
with, for that.

NO ONE WOULD.

Well, I never  
thought that I  
could successfully  
decieve you.

Well, one thing's  
certainly *not*...

Based on your  
current location,  
that girl is indeed  
a *Ryomas*.

The *Dragon*  
is using the truth I  
was controlling this  
man's body.

My objective  
is the *Ryomas*.

The magnificent vessel  
that contains the dragon  
power. In other words, you.

If you come  
with me...

I'll give this  
back to you.

Lady, looking at  
the collar, I  
understand  
you're interested.

...and that's why  
I'm not going to let you  
have the collar. You  
can't have it.

You must  
know that about  
the collar, right?

Trust?

You dare speak  
of trust when you're  
nothing but a Dragon's  
servant?

In fact,  
you're the  
one...

Who couldn't care  
less about anything  
other than the Dragon  
and his goal.

By the  
looks of it...

You don't make use  
of an honest gift he  
gave and try to be  
human.

If anything goes  
wrong, it is for who will  
absolutely give without the slightest  
sign of remorse or regret.  
Whichever.

In fact, he  
just tried to a  
second ago.

As for the  
Dragon

Their ability to  
think and feel has been  
severed, and hence a role  
only in existing

They do not realise  
the calamity they bring  
to humanity.

They do not care.

In other words,  
if that Dragon  
did not appear  
before you .

I would not need  
to be in this body, nor  
would I have a need  
to talk to you.

Will you follow the  
originals existence

Known as the Dragon!  
Along with his servant who  
thinks of you as nothing but  
a tool for perfection!

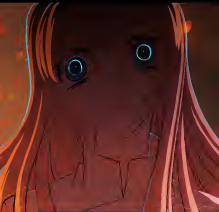

Or follow me and  
regain your body  
once more!

It's up to you.

What's going on?

I should be preparing dinner right now...

I know I can't  
do everything.

However...

I can start with  
what I'm capable of  
going right now.

What I want...

and...

what I can do now is...

What a loyal daughter

Now...

Give this to  
the Dragon.

malice.

you can't!

Lady Seana,  
anything but  
that!

Place your hand on their head and repeat after me:

"Purity."

This is...!

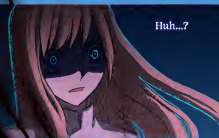

I DON'T KNOW WHO  
YOU THINK YOU ARE,

BUT THAT IS NO WAY  
TO NEGOTIATE!

IF YOU'VE GOT SOMETHING  
TO SAY TO ME, SAY IT USING  
YOUR OWN BODY!

**GET OUT OF THAT  
BODY THIS INSTANT!**

Of course,  
I'm lonely...

But Father must  
be lonely.

What do I want?

What do I really want?

What I want is...

an ordinary life...

spending my days peacefully

with those who are important to me.

Just like yesterday,

today and...

tomorrow...

Allow me to predict  
something for you.

Yes...
